**RYAN COYLE TOURNNEY A BIG SUCCESS**

By Anne Forline, Gloucester City News

On August 8, sixteen softball teams came to play at the 2nd Annual Ryan Coyle Softball Tournament, an all day, double elimination style tournament at the Bellmawr Recreation Center.

The Ryan Coyle Softball Tournament is held in memory of Bellmawr's Ryan Coyle, who passed away on August 31, 2012 as a result of injuries sustained from being punched at a concert.

Childhood friend, Kyle Wright, organized the tournament as a way to bring people together and to remember Ryan, who loved baseball and played for several teams, including Bellmawr Little League, Gloucester Catholic, Brooklawn American Legion, Camden County College Cougars and Clancy Club Pride.

Prior to the start of the games, Wright remembered Ryan as someone "who was always joking around and always put a smile on everyone's face."

The proceeds from the tournament help to provide scholarship opportunities for baseball players who want to play the sport while continuing their education.

Wright said: "This year, we reached our goal and raised just over \$6,000."

Second from bottom, dedicated friend Kyle Wright said in memory of Ryan: "I hope today we can all remember how great of a friend, cousin, uncle, nephew, brother and son he was. I miss him every day and I'm thankful I had the opportunity to know him." At bottom Pitcher Chris Cummings is on the mound for the Bellmawr Police Dept. in a game against the Bellmawr Fire Dept.
